# SECURE YOUR HOME WITH HOUSEWATCH

Get instant peace of mind 24/7 with  
Commissionaires **HOUSEWATCH** and  
Alarm Response services

## PROTECTING PEOPLE AND PROPERTY FOR OVER 80 YEARS

Commissionaires Great Lakes is a premier security provider offering a unique combination of integrity, experience and innovation. We have protected people and property for public and private sector clients from coast to coast for more than 80 years.

With six offices (Toronto, Barrie, London, Mississauga, Sarnia and Scarborough) and more than 1,500 well-trained employees, we are committed to the safety and security of communities throughout southwestern Ontario, as both a security organization and community partner.

## HOUSEWATCH SO YOU CAN TRAVEL WITH PEACE OF MIND

Whether you are away for a day or several months, don't leave your home to chance—leave it to Commissionaires Great Lakes. Our professionally trained staff will ensure that your home is secure and looks lived in as long as you are away.

### SECURE YOUR HOME WITH HOUSEWATCH

Many homeowners are unaware that standard home insurance frequently does not cover damage incurred while a house is vacant, if it is not inspected on a regular basis. Our residential security home monitoring service can provide you with the house visit schedule required by your insurance company to ensure your home is safe and secure from accidents or intrusions. Our complete, cost-effective HOUSEWATCH package includes:

- > secure daily, weekly or bi-weekly checks at varied times;
- > full interior, exterior checks and/or drive-by checks – you choose;
- > ensuring all systems are operational;
- > checking for damage.

## ALARMS NEED BACK-UP

Even if you have one of the best alarm systems for your home and it is monitored 24/7 for break-ins, when your alarm goes off and you are away, you need reliable back-up. Commissionaires Great Lakes provides you with total peace of mind by offering a residential mobile response that's fast and affordable. Our experienced mobile team consists primarily of former military and RCMP and is security cleared to federal standards.

Commissionaires' alarm and mobile response team will:

- > enter your home during an alarm when others are afraid to do so;
- > perform a thorough external and internal inspection;
- > prepare an incident report and re-secure your home;
- > coordinate with police as necessary;
- > stay after an alarm call until your home is secure.

If your alarm goes off, trust us to respond immediately, in person, 24/7.
